CHRISTMAS PARTY OF DECEMBER 8, 2019

Santa Claus and Mrs. Claus have satisfied the 183 participants!

The sleigh rides, the bonfire prepared by our firefighters, the Christmas Market and the outdoor activities added to the holiday atmosphere on site.

The Municipality would like to thank you for your participation which made this event a great success. **Acknowledgments to the volunteers for their precious help!**

WE WISH YOU HAPPY HOLIDAYS TO EVERYONE!

2019 FIREFIGHTERS' FOOD DRIVE

This year, firefighters, supported by volunteers of all ages, led the **food drive last November 16**. We wish to thank citizens for their generous participation. Although it is hard to determine exactly how many food items were collected, we estimate that **the collection will generate at least 25 baskets**. **In addition to the food drive, we raised \$1353**. The Centre d'Entraide d'Argenteuil, with whom we are associated for this event, warmly thanked us and was impressed by the **great generosity of the Mille-Isles citizens**.

On behalf of myself and all the participants in this activity, I thank you and wish you all a very happy holiday season.

Alain Charbonneau
Director of Public Safety Department

HERITAGE AND HISTORY

December 2019th Edition

THE HOLIDAYS SEASON

In the past, the holiday season was two weeks long. The celebration began on the evening of December 24, when families went to midnight mass in a sleigh, along with the sound of jingle bells. It continued with New Year's Day and ended at the Epiphany, the feast of the three kings.

In many houses, you could hear the crackling of the fireplace or the clock ringing every 15 minutes, in addition to the jig dancers who let themselves be carried away by the music played by a fiddler or accordionist family member. At times, the place was left to the phonograph and folkloric records. And what about the smell of the famous pipe tobacco that was spreading in the room?

Let's not forget the delicious cuisine made of meat game, pies and meat pies. The table was well supplied. The hosts didn't have time to get bored. They were busy since they had to fetch water or wood to revive the fire and thus, ensure the well-being of the large family and friends. And all these beautiful people had many children, which caused a lot of noise, but above all pleasure. The good old days!

Finally, I would like to introduce you to my "Mayer" family in 1947, and see how well my great-grandmother Clementine was surrounded and happy. With this touch of old traditions, it is my turn today to welcome my whole family and my sweetest grandchildren to the Mille-Isles Municipality, and I am happy just like my great-grandmother.

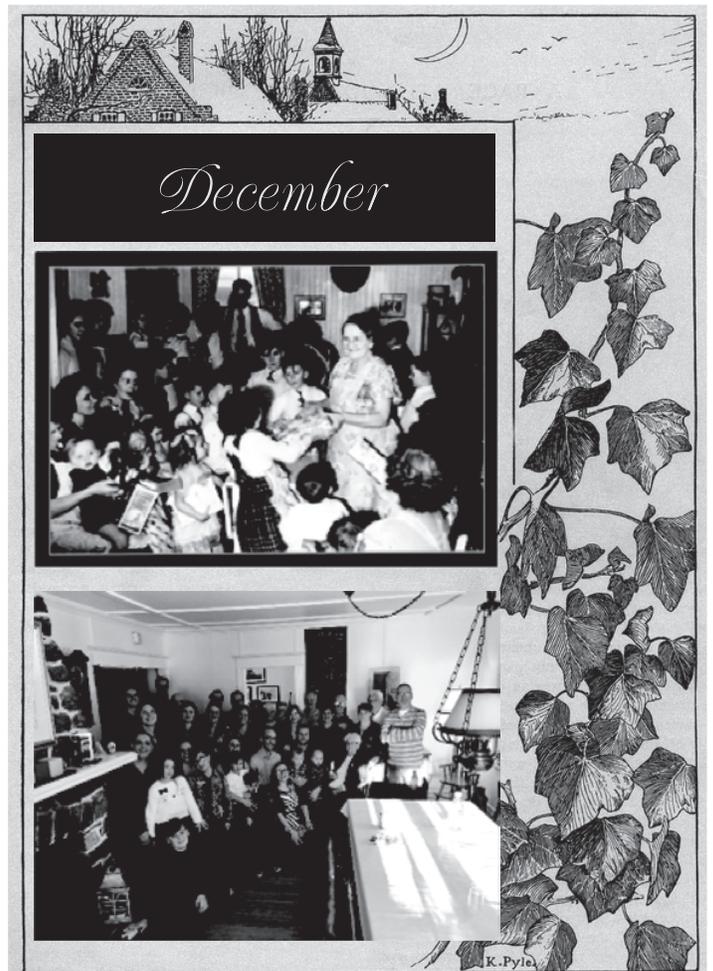

To each his own tradition, to continue to have fun and wish each other, a glass in hand:

HAPPY HOLIDAYS, PEACE, JOY AND LOVE TO ALL
