

Happy New Year 2018! Health, Happiness and Prosperity!

Santa and Mrs. Claus came to visit us at our Christmas party!

More than 60 children came to meet Santa Claus and Mrs. Claus on December 9th. The magic of the festive season was felt there. The pictures of the event are available on the Municipal Web site in the section "Leisure and culture" under the tab "Photo Gallery".

Thank you to all the volunteers for their invaluable help!

Family in Action

Families with young children are invited to enjoy free activities offered by the Municipality of Mille-Isles and the Township of Gore in collaboration with the Maison de la famille d'Argenteuil. Workshops for preschool children are led by Mrs. Carolyne Turcotte from the Maison de la famille and consist of activities for awakening, stimulating and learning through play. Quiet games led by volunteers will be available for older children so that the whole family can participate and have fun.

The workshops are held once a month on Sundays and their location alternates between the Municipality of Mille-Isles and the Township of Gore. You are welcome at all workshops!

Children must be accompanied by a parent. Reservations are not required so don't hesitate to drop by. This is a great opportunity for children and their parents to meet people in their community.
